

**Lord of the World**

Lord of the world--who reigned before any creature was formed--at the time when all was made by God's will then God was proclaimed 'King.'

And after all things shall reach their end the Revered One will reign alone. God was, God is, and God will be - in eternal glory.

God is one--there is no second to compare, to declare as God's equal. Without beginning, without end--to God is the power and dominion.

He is my God, my living redeemer, and the Rock of my destiny in time of distress. God is my banner and my refuge; the portion of my cup on the day I call.

Into God's hand I commit my spirit, both when I sleep and when I wake; my spirit I entrust to God; ADONAI is with me--I shall not fear.
